A. ABOUT SCHOOL

St. Joseph Paramedical Institute, Mariam Nagar, Meerut Road Ghaziabad started in the year 2020, is situated in Mariam Nagar, Ghaziabad (nearest Metro Station: Shaheed Sthal Metro) is centrally connected to Roadways, Metro and Railways. It

is run by the Medical Sisters of St. Joseph, Little Flower Province Lucknow a religious congregation that strive to bring the vision of the Founder Servant of God Joseph Panjikaran to reality. We believe into holistic development of the students along with the studies so that they turn out to good human being as well as committed professionals in the fast paced developing field of healthcare technology.

The students get exposure to the real life situations by assisting the Laboratory Technicians while doing procedures necessary to be ready for the job and be outstanding in the Laboratory field helping the professional to come to a conclusive outcome.

We try to provide quality education so that our students are abreast with the ever-changing technological advancements and the needs of a hospital which strive for quality accreditations.

We bid all the very best for the bright future of the students and strive to turn them into individuals capable to bring about the change this world needs and be sensitive towards the care of the patients need so that they heal rapidly both physically and mentally.

B. INFORMATION ABOUT THE COURSE

Diploma in Medical Laboratory Technician (DMLT)

It is a full time two years programme, Diploma in Medical Laboratory Technician (DMLT) from State Medical Faculty Lucknow.

This Course is recognized by U.P State Medical Faculty Letter No. – 1504 / 71 – 4 –2020– N – 8 / 2016 20th November 2020.

1. Orientation & Probation of First Three Months:

The students during this period will familiarize themselves with the laboratory routine, equipments, instruments and institute procedures.

Classes, lectures and discussions in different departments of laboratory like Hematology, Clinical Chemistry, Microbiology, Parasitology and Blood Banking will be conducted. After this period, students will be assessed to see if she / he have the aptitude and capability of completing the course. Students who will be found unsuitable will be asked to leave.

2. Training Period:

Students completing the probation period successfully will be allowed to continue training. During this period, besides lectures, discussions on above subjects, Serology, Immunology and Histopathology procedure will also be included. The students will be on rotation schedule for their practical experience. They can be posted in any of the shifts (Morning / Evening / Night). Students will receive orientation in different section of department to integrate theoretical and practical knowledge. The final examination will be conducted by the U.P State Medical Faculty Lucknow.

C. DURATION OF COURSE

The Diploma course in D.M.L.T. shall be of two years.

D. AIMS AND OBJECTIVES

The curriculum designed for this course will help the students to develop physical, mental, spiritual and professional qualities to be a good technician and a good citizen. It is based on sound educational principles, which will enable the students to gain scientific knowledge and technical skills in the medical field of laboratory. This programme helps the students in their personal and professional growth. This will motivate the students to stand on their feet.
